

Meet Shielda Forrest, author of

Putting It All On The Table

A Meeting With You and God

**Thursday, August 18 from 6:00 to 7:30 pm
at the Lawrence Memorial Public Library**

In this book, we are encouraged to find the time to address any and all issues, no matter how big or small, that may affect our true freedom in life and in the Lord. Think of it as a meeting with just you and God where every fear, insecurity, joy, disappointment, or concern is laid on the table and you walk out with the victory.
