Sample Audit Hand and Eye Count

The State Required Audit was conducted for Woodville Precinct and Absentee by Mail. The selected contest was for the US Senate Contest (Democratic and Republican).

At the conclusion of the audit, the sample hand and eye count results matched the results of those from the DS200. The DS200 accurately read the voter's selection and results correctly.

Director Peele thanked the audit team for their service.

Respectfully submitted,

Timothy Davis, Chairman
