

RESOLUTION FOR THE ADOPTION OF THE NATIONAL INCIDENT
MANAGEMENT SYSTEM

WHEREAS, the President of the United States in Homeland Security Directive (HSPD)-5, directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS), which would provide a consistent nationwide approach for Federal, State, local, and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of cause, size or complexity;

WHEREAS, the collective input and guidance from all Federal, State, local, and tribal homeland security partners has been, and will continue to be, vital to the development, effective implementation and utilization of a comprehensive NIMS;

WHEREAS, it is necessary and desirable that all Federal, State, local and tribal emergency agencies and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management;

WHEREAS, to facilitate the most efficient and effective incident management it is critical that Federal, State, local, and tribal organizations utilize standardized terminology, standardized organizational structures, interoperable communications, consolidated action plans, unified command structures, uniform personnel qualification standards, uniform standards for planning, training, and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters;

WHEREAS, the NIMS standardized procedures for managing personnel, communications, facilities and resources will improve the County's ability to utilize federal funding to enhance local and state agency readiness, maintain first responder safety, and streamline incident management processes;

WHEREAS, the Incident Command System components of NIMS are already an integral part of various incident management activities throughout the County as required by the Bertie County Emergency Operations Plan;

WHEREAS, the National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of a standardized Incident Command System;

THEREFORE, the Bertie County Board of Commissioners, on October 3, 2005, hereby establishes the National Incident Management System as the local standard for the management of routine and catastrophic emergencies.

Rick Harrell - Chairman Bertie County Board of Commissioners

Misty Edwards - Clerk to the Board
