

BERTIE COUNTY
INVITATION TO BID
FOR
BASKETBALL COURT, 1538 SOUTH KING STREET, WINDSOR, NC

ADDENDUM #1

- Q. A vendor contacted Bertie County to ask if they could bid “as equal” to provide just the backboards for this project.
- A. The scope of this RFP is for “the construction of a basketball court to be located at the Bertie County Recreation Complex”, to which 4 alternatives bids are to be included. If a bid is provided that only addresses a portion of the RFP scope of work, it will be rejected as incomplete. However, once a bid is awarded, vendors may consider contacting the contractor that was selected to offer them information on their services/products.
