How it all started...

The Bertie County Recreation Department was established in October of 2001 and was the first recreational department for Bertie County. Soccer was the first sport to be brought to the county and has grown tremendously. We now offer tackle football, T-ball, coach-pitch baseball, baseball and softball. During the summer the Parks and Recreation Department offers various summer camps and activities. We operate and maintain the first ever recreational complex in Bertie County which consists of a baseball field, softball field, football field, soccer field, playground area, restroom/concession building, picnic shelter, maintenance building and parking area. Currently a staff of three operates the department.

During the summer month we offer various camps and activities for the youth of Bertie County. The costs for each camp will vary.

For the Seniors of Bertie County...

We offer an exercise program instructed by Denise Davis. Seniors can participate at either the Colerain or Windsor site. Seniors that are 60 and over are free and those that are 55 - 59 must pay a quarterly fee of \$35.00. There is also an exercise room that is free to seniors that are 55 and older. The exercise room consists of eleven various cardio machines. In addition, bowling trips to the Williamston Bowling Alley are scheduled every three weeks. During the summer there are various field trips scheduled for seniors also.
