REQUEST FOR PROPOSAL FOR DEBRIS MANAGEMENT AND REMOVAL SERVICES

Bertie County, North Carolina, including the towns of Askewville, Aulander, Colerain, Kelford, Lewiston – Woodville, Powellsville, Roxobel and Windsor hereinafter called the “political bodies”, in order to deal with a major storm, disaster, or other event will receive professional service proposals for a pre-event contract for Debris Management and Removal Services. The political bodies will accept proposals from qualified Contractors with experience in disaster and debris removal services and the preparation, response, recovery, and mitigation phases of any emergency situation or disaster.

All payments under the contract resulting from this Request for Proposal (hereinafter the “RFP”) shall be made only for services requested and approved by the political bodies. No work effort will begin without written authorization (Notice to Proceed) from the political bodies. There shall be no retainer paid in order to keep the Contract in effect.

Please submit Proposals in the following form:

Submittal:

Weight in Evaluation:

Experience: A narrative describing experience and qualifications in similar contracting situations, with supporting data to include jobs completed and references, complete with contact information.	15%
Technical Capabilities: A narrative describing your firm's approach to planning, County and town staff training, County and town staff augmentation, project management, technical support for reimbursement procedures, and assistance in developing public information regarding recovery efforts.	20%
Equipment: A listing of equipment owned by your firm and dedicated to debris removal and recovery services, including a list of the equipment, serial number, and distance, in driving miles, from the political bodies. Please do not list rented or leased equipment or equipment owned by others including sub-contractors. If rented or leased equipment is listed, please provide a copy of the lease contract as proof of its availability.	20%
Reasonableness of Price: Fee Schedule attached.	30%
References: A list of all current contracts and also Debris management experience in the State of North Carolina for the past ten years. Please include customer contact information including both phone and email contacts if available.	15%

NOTES:

The political bodies reserve the right to reject any or all proposals and waive minor irregularities in the evaluation procedures, and to negotiate modifications to proposals that are deemed acceptable.

Five copies of proposals must be submitted by September 28, 2020 to the office of Emergency Services in order to be considered responsive. Proposals submitted after this time may not be considered. Proposals may be delivered by Federal Express, United Parcel Service, or hand delivered to:

Attn: Debris Management Proposals

Bertie County Emergency Services
106 Dundee Street
Windsor, NC 27983

The Contractor needs to thoroughly review the political bodies geography prior to submitting its proposal. The Emergency Management Department will be happy to meet with any prospective Contractor on these issues prior to the deadline and encourages site visits. There is one landfill within Bertie County.

Contractor should be as self-sufficient as possible. Restaurants and lodging establishments are extremely limited in Bertie County. Fueling stations are also of limited number and may be affected by storms creating the need for this contract. Electrical outages in portions of Bertie County following substantial hurricanes often exceed seven (7) days.

The political bodies do not discriminate on the basis of race, color, sex, age, national origin, religion, sexual orientation, marital status, genetic identification, political affiliation, or disability in matters affecting employment or in providing access to programs to employees. The County official, employee or agent responsible for advertising contracts shall compile a list of minority businesses within the bidding area, using information obtained from the North Carolina Department of Economic and Community Development, Minority Business Development Agency or from other institutions or agencies providing such information, and shall follow the minority business policies applicable to this RFP.

BERTIE COUNTY

By: 
Juan Vaughan II, County Manager

EQUAL OPPORTUNITY EMPLOYER
PRE-EVENT AGREEMENT FOR
DEBRIS MANAGEMENT AND REMOVAL SERVICES

I. SCOPE

The Contractor is to perform the work as defined in the Request for Proposal and amendments, if any, which are hereby incorporated by reference herein as if fully set forth herein.

Unless otherwise specified herein, the Contractor is to furnish all materials, tools, equipment, manpower, and consumables needed or necessary to complete the work.

II. ORDER OF PRECEDENCE

For the resolution and interpretation of any inconsistencies in this Agreement and/or the documents attached hereto and included herein by this reference, the precedence of these documents shall be given in the following order:

1. This Agreement with any Attachments, including Addendum(s) and Amendment(s) hereto;
2. If applicable, negotiated Amendments or clarification to the Contractor's Proposal which have been incorporated by reference into the final Agreement;
3. County's Request for Proposal;
4. Contractor's Proposal

III. TERM OF AGREEMENT

The period of this Agreement shall be for thirty-six (36) months, beginning on October 15, 2020, and ending on October 15, 2023. This Agreement shall automatically extend for two (2) additional one (1) year periods unless either party notifies the other in writing not less than ninety (90) days prior to August 1 of any following automat renewal period that the contract will not be extended beyond September 30 of the current period.

IV. COMPENSATION

The Contractor agrees to provide services and materials as specified in its proposal to the political bodies at the cost specified in said proposal and amendments thereto, if any, which are hereby incorporated by reference herein as if fully set forth herein.

V. PAYMENT

All invoices received by the political bodies are payable within TWENTY (20) days from receipt, provided they have first been approved by the County and the County has accepted the Work. Payment may be delayed up to Ninety (90) days due to the State and FEMA reporting and reimbursement process when applicable.

All invoices shall be directed to:

Bertie County Emergency Services
PO Box 530
Windsor, NC 27983

VI. GENERAL CONDITIONS

A. Termination

1. The performance of Work under this agreement may be terminated by the County in whole or in part, in writing, whenever the County shall determine that the Contractor has failed to meet the performance requirements of this Agreement.
2. The County has the right to terminate for default if the Contractor fails to make delivery of the supplies, perform the work, or if the Contractor fails to perform any other provisions of the Agreement.
3. Termination for Convenience
Each of the political bodies reserve the right to unilaterally terminate this contract immediately for any reason at their sole discretion by providing written notice thereof to all other parties to this Agreement.
4. Notwithstanding anything to the contrary in this Agreement, termination of this Agreement by any individual political body shall be treated as the termination only of that political body's involvement under the terms of this Agreement, and shall not constitute a termination of this Agreement by any of the remaining political bodies. This Agreement shall remain in full force and effect between Contractor and any and all remaining political bodies following any termination of this Agreement by less than all such political bodies.

B. Performance Requirements and Services

1. The County Emergency Management Coordinator (the "EMC"), or other personnel approved in writing by the EMC or County Manager in the absence thereof, shall serve as the "Contract Administrator" of this Agreement for the political bodies.
2. The services to be provided by Contractor for the political bodies include those which are necessary for the removal of excess green waste and/or bulk refuse from political bodies' streets, right-of-ways, public parks and public places, including, but not limited to personal/private property and debris placed on or in these public sites as approved by the political bodies to be removed by the Contractor.
3. Debris to be removed by the Contractor shall be designated by the Contract Administrator.
4. The method(s) utilized for debris removal under this agreement is (are) to be determined by the Contractor and approved by the Contract Administrator. The Contractor shall be entitled to employ heavy equipment, trucks, loaders, saws and personnel necessary to accomplish the objective of the County. The work to be performed under this agreement shall consist of the Contractor clearing and removing any and all eligible debris for the County and towns by a process including: 1) examination of debris to be hauled; 2) cutting,

clearing, stacking, sorting or moving debris to facilitate loading; 3) loading and hauling debris to location(s) approved by the Contract Administrator. The Contract Administrator shall instruct the Contractor to grind or recycle the political bodies' excess green waste materials.

5. The Contractor shall perform work so as not to interfere with the normal operations of the political bodies, with State or Federal functions, and shall not violate any applicable rules or regulations of these or other regulatory agencies.

C. Time of Completion & Force Majeure Delays:

The parties understand and agree that time is of the essence in the performance of this Agreement. However, no party shall be liable for any loss or damage, resulting from any delay or failure to perform its contractual obligations within the time specified, due to acts of God, actions or regulations by any governmental entity or representative, strikes or other labor trouble, fire, or any other causes, contingencies or circumstances not subject to its respective control. Any such causes of delay shall extend the time of the applicable parties' performance, by the length of the delays occasioned thereby, including delays reasonably incident to the resumption of normal Work schedules. However, under such circumstances as described herein, the political bodies may in their discretion, cancel this Agreement for its convenience.

D. Indemnification and Insurance

1. Indemnity

The Contractor hereby agrees to indemnify and hold harmless the County and or towns, its officials, officers, agents, and employees, from and against any and all liability, claims, damages, demands, expenses, fees, fines, penalties, suits, proceedings, actions, and costs of actions, including attorney's fees for trial and on appeal, and for the preparation of same arising out of acts or omissions of the Contractor including without limitation the acts or omissions of , its officers, agents, and employees associated with this Agreement.

2. Insurance Requirements

The Contractor, at its own expense, shall keep in force and at all times maintain during this Agreement:

(a.) Commercial General Liability Insurance

Commercial General Liability Insurance, issued by responsible insurance companies authorized to do business in North Carolina and in a form acceptable to the political bodies, protecting and insuring against all the foregoing with coverage limits of not less than One Million Dollars (\$1,000,000) per occurrence for Bodily Injury and Property Damage.

(b.) Automobile Liability Insurance

Automobile Liability coverage shall be in the minimum amount of One Million Dollars (\$1,000,000) per occurrence.

(c.) Workers' Compensation Coverage

Full and complete Workers' Compensation Coverage, as required by North Carolina law.

(d.) Insurance Certificates

Annually, the Contractor shall provide the political bodies with Certificate(s) of Insurance on all the policies of insurance and renewals thereof in a form(s) acceptable to the political bodies. The Commercial General Liability Insurance policy and Automobile Liability Insurance policy shall provide that the political bodies be an additional named insured. The political bodies shall be notified in writing of any reduction, cancellation or substantial change of policy or policies at least thirty (30) days prior to the effective date of said action.

All insurance policies shall be issued by responsible companies who are acceptable to the political bodies and licensed and authorized to do business under the laws of the North Carolina.

(e.) Acceptance

The political bodies will be deemed to have accepted the Work after the political bodies are notified by the Contract Administrator of their satisfaction that the Work is properly and substantially completed.

E. Correction of Work

The Contractor shall promptly correct all Work rejected by the Contract Administrator as failing to conform to this Agreement. The Contractor shall bear all costs of correcting such rejected Work. Rejected work shall consist of that work which is deemed ineligible by the Contract Administrator.

F. Right to Audit Records

The political bodies shall be entitled to audit the books and records of the Contractor of and any sub-Contractor thereto to the extent that such books and records relate to the performance of this Agreement or any sub-contract to this Agreement.

Such books and records shall be maintained by the Contractor for a period of three (3) years from the date of final payment under this Agreement.

G. Time is of the Essence

The parties agree that time is of the essence in the completion of the Work called for under this Agreement.

The Contractor agrees that all Work shall be executed regularly, diligently, and uninterrupted at such a rate of progress as will ensure full completion thereof within the time specified.

VII. SPECIFIC PROVISIONS

- A. The successful Contractor must have a representative present in the County's office or Emergency Operations Center within thirty-six (36) hours of Notification to Proceed and be able to mobilize equipment and personnel to the designated location within forty-eight (48) hours of Notice to Proceed. Bertie County generally is isolated for a period of twenty-four (24) to forty-eight (48) hours following our most likely debris event, a hurricane. If necessary, the successful Contractor may be called upon to pre-stage in the region after a Notice to Proceed.

- B. Emergency road clearing on highway right of ways (ROW) shall be performed on a time and material basis only as authorized by the Contract Administrator and up to **seventy (70) hours** or other limits allowed by Federal requirements as applicable. However, experience has shown the Dept. of Transportation, fire departments, N. C. Forestry, farmers, and other volunteers generally have the initial cut through promptly completed. Work conducted on the ROW shall be limited to the point where fallen vegetation and other debris enter the ROW. No equipment or personnel may operate beyond the ROW unless specifically approved by the Contract Administrator.
- C. The Contract Administrator will supply the Contractor with a list of potential local sub-contractors. Proposals shall list the Contractor's ability to utilize local sub-contractors and their general requirements for doing so. To the fullest extent permitted by law, local sub-contractors must be used if all requirements are met.
- D. The Contractor shall provide one day of Debris Management training per year to the political bodies' staff during the month of July, as arranged by the Contract Administrator. The Contractor shall also assist the political bodies with updates and improvement of the Debris Management Plan annually.
- E. The Contractor shall provide all necessary security, supervision, and oversight for all operations.
- F. The Contractor shall provide sufficient traffic control and warning devices for conducting work on streets and highways.
- G. The anticipated Contractor work hours are sun up to sun down, seven days per week unless otherwise approved by the Contract Administrator.
- H. The Contractor shall hire and supervise any needed hazardous materials specialists and handle the disposal of all hazardous substances in accordance with all laws and regulations.
- I. The Contractor shall operate within the requirements of the Occupational Safety and Health Act and all other applicable local, state, and federal rules, regulations, and laws.
- J. The political bodies shall accept the serialized copy of the Contractor's debris load ticket(s) **verified by the Contract Administrator, or their agent designated for such purpose**, as the certified, original source documents to account for the measurement and accumulation of the volume of debris delivered and processed at the reduction and/or disposal site(s). The ticketing system will also be used in the event of additional debris handling for volume reduction and/or the possible requirement for a debris transfer station(s). These tickets shall be used as the basis of any electronic generated billing and/or report(s). They should include the following: (load tickets shall be turned in **daily**)

Date

Preprinted Number

Hauler's name

Truck number

Truck Capacity in cubic yards

Load percentage full, as assigned by Debris Monitors

Load amount in billable cubic yards

Debris classification as burnable, non-burnable, mixed other
Point of origin for debris collected and time loaded
Dumpsite location and time dumped

K. The political bodies will identify Temporary Debris Storage Sites in the Debris Management Plan. All site work on these sites must be approved by the Contract Administrator. The Contractor will prepare a site management plan in advance for these sites to include:

- Access to site
- Site management, to include point-of-contact, organizational chart, etc
- Site preparation, - clearing, erosion control, and grading
- Traffic control procedures
- Site Safety
- Site Security
- Site Layout/Segregation of debris
- Hazardous waste material plan
- Location of ash disposal area, hazardous material containment area, Contractor work area, and inspection tower (if required)
- Location of incineration operations, grinding operation (if required). Note: All incineration and grinding operations shall be in accordance with Chapter 9, Public Assistance Debris Management guide, FEMA 325 dated April 2007 or latest edition, and with NC Division of Solid Waste and Air Quality Control.
- Location of existing structures or sensitive areas requiring protection
- Environmental mitigation plan, including consideration for smoke, dust, noise, traffic, buffer zones, storm water runoff.
- All necessary licenses, permits, and fees for the same are the responsibility of the Contractor.
- Scales/load tickets.

L. The Contractor shall construct an inspection tower at each debris storage site as requested by the Contract Administrator. The tower shall be constructed using pressure treated wood or metal scaffolding. The floor elevation of the tower shall be 10-feet above the existing ground elevation. The floor area shall be a minimum 8' by 8', constructed of 2"x 8" joists, 16" O.C. with 3/4" plywood supported by a minimum of four 6" x 6" posts. A 4-foot high wall constructed of 2" x 4" studs and 1/2" plywood shall protect the perimeter of the floor area. The floor area shall be covered with a roof. The roof shall provide a minimum of 6'-6" of headroom below the support beams. Steps with a handrail shall provide access to the tower. Tower shall be built in accordance with approved N. C. Building Codes.

M. The Contractor shall be responsible for reporting to the political bodies through the Contract Administrator, and for cleaning up all spills caused by the Contractor's operation at no additional cost to the political bodies. Immediate containment action shall be taken as necessary to minimize effects of any spill or leak. Cleanup shall be in accordance with applicable federal, state, and local laws and regulations.

Spills shall be reported to the Contract Administrator and the Bertie County Emergency Management Coordinator, if different, immediately following discovery. A written follow-up shall be submitted to the same not later than seven (7) days after the initial report. The written report shall be in narrative form and as a minimum shall include the following:

Description of the material spilled
Determination as to whether or not the amount spilled is EPA/state reportable
When and to whom it was reported
Exact time and location and spill
Receiving stream or waters
Cause of incident and equipment and personnel involved
Injuries or property damage
Duration of discharge
Containment procedures initiated
Summary of all communication the Contractor had in regards to the spill
Description of cleanup procedures

VIII. MICELLANEOUS PROVISIONS

- A. Assignment of this Agreement shall not be made without the advance written consent of the political bodies.
- B. The Contractor shall comply with all applicable federal, state and local laws, ordinances, rules and regulations pertaining to the performance of Work under this Agreement.
- C. No waiver, alterations, consent or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by the party against whom enforcement thereof is sought..
- D. The Contractor is to procure all permits, licenses, and certificates, or any such approvals of plans or specifications as may be required by federal, state and local laws, ordinances, rules, and regulations, for proper execution and completion of the Work under this Agreement.
- E. This Agreement is deemed to be under and shall be governed by, and construed according to laws of North Carolina.
- F. Any litigation arising out of this Agreement shall be heard in the Courts of Bertie County, North Carolina.
- G. As to political bodies, the undersigned hereby certifies that this Agreement is made without prior understanding, agreement or connection with any corporation, firm or person who submitted bids for the Work covered by this Agreement, and is in all respects fair and without collusion or fraud. As to Contractor, the undersigned hereby warrants and certifies that they are authorized to enter into this Agreement and to execute same on behalf of the Contractor as the act of the said Contractor.
- H. This Agreement, including any Exhibits hereto and/or instruments incorporated herein by reference, contains all the terms and conditions agreed upon by the parties. No other agreements, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind the parties hereto.
- I. Any damages associated with the work performed will be at the expense of the Contractor.
- J. Any rule of construction against the drafter of a legal instrument in a jurisdiction in which this Agreement is interpreted or construed shall not be applied against either party to this Agreement the terms of which are the final result of an arm's length negotiation between the parties hereto.
- K. All prior or contemporaneous understandings and agreements of the parties are integrated and merged into this Agreement, and the instruments and agreements specifically referred to herein. No other agreements or understandings exist prior to or contemporaneously with this Agreement's execution which are not reflected herein, in writing, at the time thereof.

- L. This Agreement shall inure to the benefit of and shall be binding upon each party together with their respective legal representatives, heirs, successors, executors, agents, and/or assigns.
- M. The titles/captions/headings of any and all portions of this instrument provided herein are intended for reference purposes only, and shall not in any event be deemed to affect the meaning or interpretation of any portion(s) hereof.
- N. Any and all provisions of this Instrument that are prohibited, unenforceable, or otherwise not authorized in any jurisdiction shall, as to such portion and jurisdiction only, be deemed ineffective to the extent of such prohibition, unenforceability, or non-authorization, and without invalidating any and all remaining provisions hereof in such jurisdiction, and without affecting the continuing validity, enforceability, or legality hereof in any other jurisdictions.
- O. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument. The parties may execute this Agreement and exchange counterparts of the signature pages by means of facsimile transmission or other electronic means, and the receipt of such executed counterparts by facsimile transmission or other electronic means shall be binding on the parties. Upon request thereafter, each party shall promptly provide to any other party an originally signature page if so desired.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals on the date first written above
